

While our Junior Institute was in operation, they raised a sum of money with the object of putting swings in Ridgeview Park which was supplemented by the Sr. Branch and the swings erected. Of late years when the Rotary Club have carnivals in the Park, the W.I. served refreshments and divided the proceeds with Rotary. During the last 15 years, eight life memberships have been granted.

There can be no doubt that the Women's Institute has made this village and township a better place in which to live.
