Rosseau

Rosseau Women's Institute celebrated the 100th Anniversary on February 19, 1997, at the Rosseau Community Hall. The dinner was prepared by members and served by the Ladies Auxiliary of the Royal Canadian Legion. The planned program was followed with members taking part. Candles were lit to remember departed members and one for the future. Tweedsmuir books and other memorabilia were on display. President Margaret Crawford read a letter from our remaining charter member Edith Applebe 94 years, who was unable to attend.

Local dignitaries, local clergy, Legion and family members were invited. Anniversary cake was served for dessert. Rosseau Branch was formed in 1921.
