Dear Mary,

Your wonderful parcel was awaiting me on my return from holidays early this week. Thank you very much indeed for such a magnificent response. Our "Link" evening will be an assured success thanks to your kindness.

We have plans to extend our musical Valentines to the full so that

We can do justice to the Centennial Song - how lovely to have words & music by a W.I. member.

I will write again after our evening on 18th April to tell you how it all went, and to refund your postage costs.

I thought you might like a picture of one of our Derbyshire beauty spots. We do have snow!

Best wishes from  
Grindleford W.I.
