The Centenary of the Foundation of The Womens Institute

Dear Madam,

I am writing on behalf of our branch of the Womens Institute,
Danbury, Eves Corner, in the village of Danbury Essex, near Chelmsford.

We have approx. 65-70 members and have been established for 28 years,
we are celebrating the centenary of the founders in Stoney Creek, can you please
forward any interesting or commemorative items of the occasion, and the founders
Adelaide Hunter Hoodless and Erland Lee.

We keep an annual record of events and activities, and particularly wish to record and
celebrate the occasion, we are having a garden party in the grounds of Danbury
Church with Canadian style menu in August where costume of the period will be
worn.

I have enclosed photo copies of an old information booklet on Danbury which will
give a brief description of our community.

I would like to thank you on behalf of all the members of Eves Corner W.I. in
anticipation of any items of interest you may be able to provide for our records .

Yours sincerely

C.A. Green.
