Dear Mrs Oldfield

This is rather a belated
thankyou for your letter and enclosures
you so kindly sent me in January.

My husband has been rather ill and so
I had to put W.I to one side. Now, thankfully,
he is recovering and I can take up my
duties again.

The information you sent was
extremely informative, our members enjoyed
reading about Stoney Creek and of the
beginnings of the Womens Institute.

you sent us.

As Caroline Meek, one of our

INSTITUTE.
