LLANRHIDIAN W.I. GOWER. SWANSEA. S. WALES.

on holiday in Canada with the Glamorgan  
Federation for the centenary celebrations.

We enjoyed every minute of the holiday.  
Stoney Creek was definitely the highlight.  
Thank you for making our visit so interesting  
and enjoyable. We thought that you might  
like the enclosed tea towel to add to your  
collection.

Best wishes
