

At the moment, they are working on a quilt for a Children's Hospice called 'Claire House' which is being built locally.

We are having a Produce Show on the 14<sup>th</sup> August. So we are all busy. Sewing, growing, Photographing etc. Then there is our 70<sup>th</sup> Party in October. So we are all quite busy at present.

I am sure Adelaide Hoodless did not realize what she was starting. However it has given an awful lot of women a purpose to their lives and created a lot of happiness with Fun, Friendship and Fellowship. Long may it continue.

Yours Sincerely,

Jane Winthorpe  
President
