Dear Mrs. Kneelone,

In June I

visited The Orland Ice Museum  
I know you won't remember me,  
just one face in the hundreds  
that visit you every year!  
My Canadian cousin and her  
husband arranged the surprise  
visit for my husband and  
myself. We were very fortunate  
to have been the only visitors at

that time and to have you  
as our guide, you allowed me  
to have my photograph taken  
with the Constitution and By-  
Laws Book. I promised to send  
the photograph on, plus our  
County Badge for your map.  
The round badge is the old  
Glamorgan Federation, the red on  
it is a symbol of Wales. The  
Green pin is the newest badge.  
Thank you for your time and  
consideration, we thoroughly  
enjoyed our visit.

Yours sincerely  
Betty Jones.
