Dear Canadian Fellow-members-

A small token of friendship from Cirencester members. We hope the pictures of Gloucestershire will interest you & that the tea towel will be useful.

Cirencester is a lively town - full of history having been founded in Roman times: it was important for its wool in Mediaeval England and has a large beautiful church in the town centre. The countryside around is delightful - we're in the Cotswold Hills and the Cotswold villages are lovely

CRICKET PAVILION,
CIRENCESTER GRAMMAR SCHOOL.
