Box 1.  
Manotick  
Ont.

P.S. you were very kind.

Dear Mrs Beachin,

Thought you might like the enclosed bit of history about the mill, but I do not own it now. I owned it and ran it for over 30 yrs then I sold it to Ont. Gov.

Thanks again for taking us on a tour and as my sister belongs to W. I. in England, she got a great thrill.

Yours sincerely  
Harry Watson
