WI home can put a little spice in your life

THERE IS little, if any, doubt that most of you would like to put a little spice in your life.

You can do it tomorrow or the next day by visiting the Erland Lee (Museum) Home.

Better give you directions: It is RR 1, 552 Ridge Road, Stoney Creek, Ontario, Canada, L8G 3X4, telephone (416) 662-2691. Now I can't do much better than that, so if you miss it don't blame me.

The (Museum) Home is owned and operated by the Federated Women's Institutes of Ontario and has wheelchair accessibility.

The FWIO gals are having what they call Harvest Festival Days each day from 9.30 a.m to 4 p.m. On tap we have, or they have, pioneer craft demonstrations, home-baked pies, coffee, herbal tea, apple juice, and a special program for children. That's what they tell me anyhow.

Now, getting back to that spice in your life. How about a little herb in your life as well? Get out to the (Museum) Home for there will be things to SEE and DO with both herbs and spices.
