Plan a day at Fifty Point Conservation Area

During the hot summer months, many families spend a day at Fifty Point Marina, an easy drive down Fifty Road to Lake Ontario. It is not necessary to be a boat-owner to enjoy all the facilities found here. This attractive area is open to the public daily year-round until dusk. For a small admission fee, visitors enjoy walking along the beach, swimming in the lake, fishing in the trout pond, or watching children enjoy one of two playgrounds.

Fifty Point also offers a boat ramp, picnic area, beach house with change rooms, coffee shop and restaurant. Even the family pet is welcome, provided he is on a leash.

Enjoy an afternoon fishing Lake Ontario for salmon and trout. Charter fishing boats are available at Fifty Point Marina. Call Salmon Express at 387-0907 to arrange a full or half day excursion on a 27 foot boat equipped with all the electronic gear you need to catch the big one.

After a day of swimming, boating or baseball you can enjoy delicious road house fare at The Landing Restaurant. Reservations can be made by calling 643-2103.
