

**Ron Book**

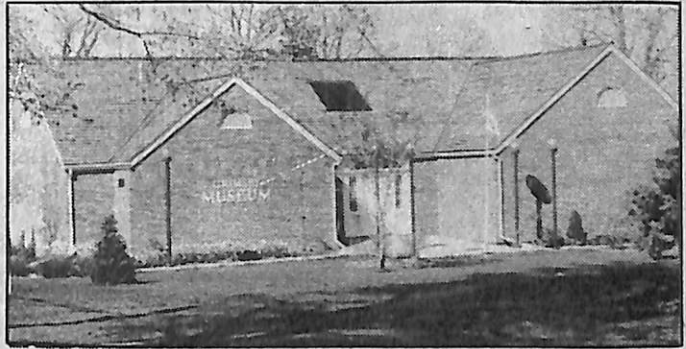

If a visitor came to Grimsby for one day, where would you take him or her?

"I would take a visitor to the museum and art gallery," said Mayor Ron Book of Grimsby, "and then to some of the parks to show off the natural beauty of Grimsby, Beamer Falls, and the marina would

definitely be on the list. We have many recreational facilities for people of all ages including seniors, which I would also show a newcomer to the area. Then I would take my guest to one of the many good restaurants in town.

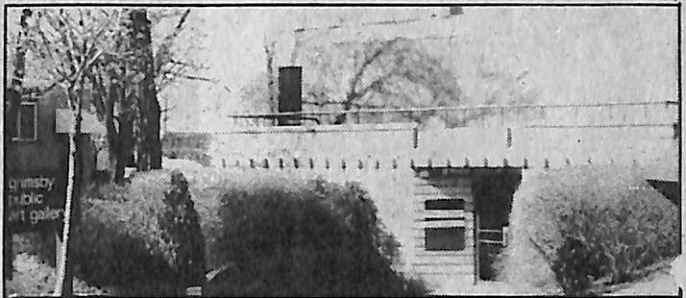

"I would show off the growth of Grimsby — the new homes being built in the area.

After this tour I would take the visitor to a high peak so they could view the community in its entirety. By that time they'd be tired, but they would have seen the beauty of Grimsby."
