

The advisability of opening the meetings with prayer was discussed and a motion put before the meeting to have the meetings open with the Lords' Prayer in unison.

A paper was then read by Mrs. McNeilly on "Proper Food for Children" which was very interesting and instructive.

In the discussion which followed several interesting and useful ideas were gleaned.

Mrs. Nelson then favored the audience with a selection of music.

Mrs. G. W. Trillen gave a very interesting paper on "Art." A discussion followed.

A song was then given by Miss Norma Hopkins and the meeting closed by singing "God save the Queen."
