

In connection with the paying of Annual fees, District, Area, Provincial and A.C.W.W. ^{Feb. 1,} it was suggested that, locally, membership fee in the Branch, \$5.00, be paid at March meeting, in order that members may legally vote at Annual in April. A motion to this effect was made by Mrs. L. MacEwan and seconded by Mrs. Young. Carried.

In completing her year's work, Mrs. Gamble commented on her Historical Research Commission - with request for additional supply of paper - and someone to continue typing in the usual good order, as changes develop, and new information becomes available. Snaps of Donald Mackenzie and (Dr.) Frank Kimball were requested from the membership and when procured will be given proper posting among the Veterans - World War II

In relaxation, a contest on 'Headline observation' was introduced by Mrs. Gamble who then completed her contribution to the program as she handled the Motto: "Enter without knocking - Leave the same way."

The singing of O Canada brought the evening to a close.
