

Moved by Mrs. Browne seconded Mrs. Young that Mrs. R. A. MacEwen be our auditor. carried.

Our Home Economics and Health Convener presented several timely topics i.e. Article on Crossed Eyes which modern medical science says should be corrected in early childhood preferably pre school days. Going on to consider Meat as food, Mrs. Young had four members assist in giving the nutritive, caloric, vitamin values of meat. We were each given a beef chart, showing the various cuts especially useful to housewives with deep freeze units. A historical account of Canada starch plant at Cardinal closed on the many, many uses of the lowly <sup>potato</sup> ~~potato~~.

Mrs. Twiname was accompanist for the singing of O Canada which concluded the meeting. Thirteen present Collection \$1.45

Pres. Mrs. Lacey Wade.

Mabel McKeown Secretary.
