At this point a number checked with the treasurer re annual fees and also re sponsoring project.

Prior to Mrs. Bols' introducing our guest speaker, Mr. Dawn of Templeville A Sch; she spoke on our evening's motto thus:  
Quote "When we plant a bulb in the fall our thoughts go out not to the winter that follows, but to the Spring that will come.  
In the heart of our work is the promise of Spring: in everything we do we look for satisfaction when our task is fulfilled. Even in death is the promise of Spring. We do know that after this life a new and better life will come." (end of quote)
