

July 13th 11/5.

The regular meeting of the Stony Creek branch of the Women's Institute was held on the above date at the home of Mrs Beaumont.

Owing to other engagements many of the members were absent but notwithstanding the small attendance the meeting proved a most enjoyable one.

In the absence of the president the chair was taken by Mrs McNeilly

The minutes of the previous meeting were read and confirmed.

It was proposed by Mrs Beaumont, seconded by Miss Corman that if the weather were not favorable for a meeting on the lawn during the summer months that the council chamber should be used the motion was carried.

The topic under discussion for the meeting was "berries and their uses"

Two papers were read, a very interesting one read by Miss Corman entitled "Hospitality in the home" written by Mrs Haist & the other by Ethel Walker on "mind power & privileges."

Lunch was served on the lawn, the hostess, Mrs Beaumont giving her guests a splendid example of the true meaning of Hospitality in the Home
