The fifty-first annual meeting of the Stoney Creek Women's Institute was held on the above date - Mr. Angus Jackson, presiding. The meeting was held in the United Church Sunday school - opening with the Ode - followed by the Lord's Prayer.

The minutes of the last meeting and the correspondence, were read.

Mr. Jackson expressed regret that the short course in psychology, offered by the department, met with such a poor reception.

The president also told the meeting of several alternative suggestions that have been put forth, with regard to the Saefelt War Memorial.

An announcement was made regarding Lady Haworth's visit, and a motion was made by Mrs. Brew, seconded by Miss Smith, that a joint meeting of Saefelt and Stoney Creek Institutes be held on the evening of June 1st, when Lady Haworth would be the guest speaker.

In a letter read, from Mrs. King, president of Sandhurst Institute, our members once more were thanked for all the help they have given members of this Institute, under our Sister for Britain program.
