

1960.

Jan. 22nd. At the Sub-Executive meeting at my house, I gave to Marjorie Clough the "blocks or cuts" of Mrs. M<sup>rs</sup>. Neilly and Miss Maggie Nash (which were used for the pictures in the S.C.W.I. Cook book put in 1930) edited by Genevieve House.

Mrs. Clough will put them in safe keeping, in case they are needed later. The one of Mrs. S. D. Smith was returned to Armand Smith 4 or 8 years ago. Maybe we should get it back?
