Definition of
Committee member

Those who are unable
Appointed by the unwillingable.
To do the unnecessary
For the ungrateful

Citizen of the year Mrs. Mildred Kemp is seen above holding the engraved tray which was presented to her by Alf Scales, (left) Pre-

sident of the Chamber of Commerce. With them are Mrs. Scales and a very proud Dr. C. Robert Kemp.

Citizenship Award goes to woman

Mrs. Mildred Kemp was chosen for the Citizenship Award given by the Stoney Creek and Saltfleet Chamber of Commerce. The presentation was made at the Annual Ladies Night and Award Night last Friday at Gulliver's Travel Motor Hotel.

A St. Valentine theme was used for the decor and Mrs. Kemp was everybody's sweetheart.

In charge of the award was Director Bob Cathcart who asked that one of the judges please step forward with the envelope holding the name of the winner. Sam Plot quickly responded and Chamber President Alf Scales took great pleasure in announcing the winner. The other two judges were Dick Bland of Stoney Creek and Ben Jankowski of Winona.

Vice-President Harry Gudgeon asked the gentlemen to join him in a toast to the ladies and Mrs. Scales responded.

Stoney Creek Mayor Jack Watson and Saltfleet Reeve Gordon Dean brought greetings from their municipalities to the gathering.

President Alf Scales said that Junior Achievement is becoming closer to becoming a reality for the chamber.

Their offices will be moved from the centre of Hamilton to the east end and the Chamber has been offered the use of the facility", he said.

Mr. Scales said with regional government becoming a possibility the local Chamber of Commerce will have to have a strong membership and will need it to progress and need it to survive.

He urged citizens to "get more involved in their community, in whatever suits you best." He said, "we need members to participate, to communicate."

Niagara Co-Axial taped the proceedings and ran the show on channel 3 Monday evening at 7 p.m.
