

she also spoke briefly on Legislators  
Miss Lulla Gowland did so.

A second talk by Mrs. Patterson on her  
trip back north was listened to and  
was both educational and interesting  
she described different places and told  
how different minerals were first  
discovered in the northern part of Ontario  
Mrs. Inck spoke a few words to us and  
congratulated us on our talk and the  
work that had been done.

Mr. Walker gave us a short talk on  
Canadian textiles and made in  
Canada goods using his dress as  
illustrating things made in Canada.

Those present expressed their pleasure  
and thanks.

Refreshments were served.

The meeting closed with the National Anthem  
Mrs. H. Depew
