

and build up our health. after much discussion on this matter it was decided that before we make any definite plan for our work, we should wait for further instructions from the Department according to a letter from our Supt Miss Clarke, and to do in the meantime what we are asked to do. We greatly appreciated Mrs Pickens very kind donation of a knitting machine to the Institute. Mrs Howard Barnard kindly offered her home for our December meeting. It was decided to hold our class on "Re-conditioning of furniture" in January. Mrs Pickens gave an excellent report of the activities of the W. I. Convention for Oct 25th. Our President Mrs Walters told of her recent visit to the Sanitarium, and reported to us that little Caroline Knight had been adopted. Although our meeting seemed to consist chiefly of business we felt it very profitable. Following the singing of "The National Anthem" our hostess served a dainty lunch. Collection - \$2.45
