

The November meeting of Winona U. I. was held at the home of Mrs Howard Barnard, with a record attendance of 50. Special guests were members of the Saltfleet U. I. Following the opening Ode, and the repeating of the Lords prayer the roll call was answered by inessence's Christmas gift suggestions! The programme was under the direction of our Health Comenor Mrs Barnard assisted by Mrs E. Witzner. We were greatly honoured by having as our guest speaker Dr W. J. Aitchison of the Mountain Sanatorium, who gave a most excellent outline of the history of the T. B. disease from the early days and the modern treatment, and the cures effective. He explained fully, showing the instrument for giving phneumoso. Thorax treatment and showing how rib operations were performed and the treatment of adherians of the lung. We were fortunate also in having with us Miss McShie, Supervisor of the Preuentorium who gave us an outline of the work there among the children. Miss McShie had with her one of her little patients Master Joey Dewitt ~~protoge~~ of the Saltfleet branch, who rendered a delightful vocal solo. The members brought donations of canned fruit for the sanatorium, amounting to 49 jars of
