

not as a principal of our school but as a Ranger in Algonquin Park. Mr Patterson gave a very interesting talk on the wild life, camping in Algonquin park, hiking trails + fishing after which he showed some lovely pictures on the subject.

Mrs McIntyre gave a report on her two day Leadership course - - The Third Meal. Plans for teaching this course to our Institute will be made at the next executive meeting. A lovely lunch was served by the hostess and lunch committee.

A note of thanks was given to Mrs Coker.
