

*April 1948*

TORONTO is the destination of Miss Beverly Darling when she leaves here Thursday with Miss Edith Kenny to take up residence in the eastern city. Miss Darling is the daughter of Mr. and Mrs. Donald Darling and it was to honor their niece that Miss Constance and Miss Mary Darling entertained at dinner prior to her forthcoming departure.

SINCE HER ARRIVAL here with her parents, Mr. and Mrs. Robert Denman of Greenville, Ont., Miss Babs Denman has become so enamored of Vancouver that she plans to remain when her parents return east. The family are staying at Hotel Vancouver, where today's informal picture of Miss Denman was taken prior to the small tea at which she and her mother shared honors Tuesday afternoon when Mrs. Fred Kirkland entertained at the *Nov. 18/48.* Georgian Club.
