

ACKNOWLEDGEMENTS.

The work of this book, of history of the area in the S. S. No. 5 , and S. S. No. 10 , school sections, sponsored by Willow Run Women's Institute, has only been accomplished with the help and co-operation of the members of the community, and other interested persons, in this work.

The time and thought spent on trying to get facts as right as possible, has taken much work, and time. We could not name all those to whom we are indebted.

One name should be mentioned. Mrs. R. S. Fraser spent much time trying to gather information on the Ventry church, cemetery, and the early settlers in this area. Because of health reasons, she was not able to see this work finished.

We are also indebted to Mrs. Mervin Fowler, for being able to procure the paper for the Book, with the linen binding. The paper has been no cost to the Institute.
