These table cloths were undertaken by Mrs. Mastin and Mrs. Mastin for our spring "Tea" 1973, and are kept for Institute "Tea's" only. Made of Burma-pest and painted in gold and Royal Blue which shows the long hours of work went into each one. Pretty Candles holders were made by Mrs. Clayton Curtis, and prettied up by Mrs. Clayton Curtis with tiny buds, which are changed for tiny Candles during the Yule Tide season. How proud we are when we have the chance to use them. It makes us feel all our work was a labor of Love.*
