On June 14th, 1972, the Regular Meeting of the Bay of Quinte Women's Institute was held at the home of Mrs. Harold Dickens. There were 19 Members present and the roll call was answered, By naming a Foreign Product and telling the Country from where it came.

The guest speaker for the evening was Mrs. Preba Bhatnager, who came to Canada, from India, in 1967, with her husband. She told about the way of life in India and those of the Hindoo Religion believe that what you do every day of your life, decides the hear after. A large number of the people of India are poor, and they have a problem of overpopulation. Farming is done with the aid of horses and ploughs, sometimes a tractor is also used, to grow crops of rye, maize and corn. Monsoon rains last five months and are essential for farming.

Women's Institutes are world wide, and Mrs. Aroti Dutt of India, became President of the Associated Country Women of the World in 1962.

Two new Members joined the Bay of Quinte W.I., Mrs. F. Eves and Mrs. E. Samuels.

Mrs. Peter Jordan read a report on the Bus Trip to Ottawa in May, in the form of a poem written by Mrs. R. Vanier and the W.I. will have a booth at Centennial Park on the 1st. of July, selling drinks and home made pie.

Following the meeting a social time was held and lunch was served by, Mrs. A. Darlow, Mrs. A. Ketcheson, Mrs. R. Vanier and Mrs. S. Holland.

The meeting was then turned over to Mrs. Ann Vanderlinden who showed us many beautiful pictures of her native Holland, also different coins and how different windmills were operated, and the varied types and purposes of these windmills.

This was a very interesting and enjoyable subject to all members.

The meeting was adjourned with singing of the National Anthem, then lunch was served by the luncheon conveners.
