Mrs Tucker our district President paid us a visit in November of this year and gave us a talk on Our Institute Ode. We also had a demonstration on "How to make Drapes" and Miniature drapes were Exhibited.

In May of this year we celebrated our tenth birthday and as has been our practice for the past years we celebrated the occasion at the home of Mrs Harry Coulter. After the Business of the meeting the President then called the Past Presidents Mrs Sam Dafoe, Mrs Albert Martin, Mrs Harry Coulter and Mrs Stanley Bateman (Mrs Mitchell Rannie was unable to be present) to come forward and after a short speech, each was presented with an Institute pin for their capable work in the past. A lovely cake was then brought in and enjoyed by the members after the meeting closed.
