ELEMENTARY SCHOOLS IN HUNGERFORD - 7

Some of these schools were so-called "poor schools", (i.e. financially poor), for Council minutes for September 9, 1878, record that John Johnston asked for a grant to poor schools, namely S.S.4, 19, 20, 21 and 22, and \$10 was granted to each. Council later resolved "to give no grants to any poor school that does not keep the school open nine months of the year".

A later list, for 1905, published in The Tweed News, gives the following sections.
