

# Maple Dale Cheese

1888-1988

Celebrating  
100 Years  
of  
Quality  
Cheesemaking

Quality....First

June 10<sup>th</sup> 1988

The site chosen for the celebration of 100 years of cheesemaking in the Zion Hill area was at the new factory - Maple Dale.

It was more or less an evening of reminiscing for those who had been involved in the original factory and the transition to the new. A tour of the factory with its modern equipment was proudly displayed. followed by lunch which included cheese-burgers.
