

Agreement made in duplicate this 23rd day of April A. D. 1904.
Between The Zion Cheese Manufacturing Company, Limited, herein-
after called The Company, of the First Part,

And John D. Carl of the Township of Thurlow in the County of
Hastings, Farmer, of the Second Part.

Whereas the Company have heretofore maintained at their
factory in the Township of Thurlow aforesaid pig sties and having
fed and kept pigs therein during the factory season.

And Whereas the ~~Company~~ party of the second part has com-
plained that the keeping of the said pigs at the said factory in
the manner aforesaid has been and is a nuisance to him, imperilling
the health of himself and his family.

And Whereas the Company are desirous that no injury should be
sustained by the party of the second part from any of the acts
aforesaid, and in order to settle the said matter amicably, the
said Company and the party of the second part have agreed as follows:-

1. The Company shall have the right without molestation and
without any claim or claims being made or any action being taken
for any damages or other claim whatsoever by the party of the
second part to keep, maintain and feed hogs upon ~~the~~ said factory
premises in the manner heretofore kept and fed by them during
that portion of the factory season of 1904 ending on the 1st day
of October next and will in the interval keep the premises as
clean and clear from accumulations of filth as is reasonably
possible and to at least the extent to which they have heretofore
so provided for the same.
2. The Company shall on the 3rd day of October A. D. 1904 remove
~~from the said factory premises any and all pigs, pig sties and~~
other equipment and appliances for keeping or feeding pigs at the
said factory and shall remove any and all accumulations of dirt,
filth or other harmful or offensive material that may then be
upon the said premises arising from the keeping and feeding of
pigs there as aforesaid and will on or before the 15th day of
October A. D. 1904 properly and sufficiently disinfect and de-
odorize the space occupied by the said pigs, pig pens or other
equipment or appliances used in connection therewith by properly
spreading at least twenty bushels of lime over the same at that
