In 1972 and 1973 Harold Griffin did a fine job with equipment. This is no easy task - dressing around 800 bodies. All the coaches have worked hard.

Our Minor Sports from fifteen PeeWee Ball Players in 1971 has increased to 52 boys in softball, 80 soccer players, 130 baseball and 140 girls in softball.

I think this is a big increase in two years of operation and will mushroom even bigger and better every year.

We have our own Sports Committee also. As far as I am concerned we need a Sports Centre in Thurlow Township.
