## Skating for \$1,000

Thurlow Minor sports may not have been one of the largest organizations taking part in this weekend's skatathon. But their financial contribution more than made up for size. Three members of minor sports in Thurlow raised close to \$1,000 among themselves. David Hurd in front col-

lected \$355 in pledges. Doug Vader, middle had \$310 and Robbie O'Brien was sponsored for \$313. About two-thirds of the money raised goes back into the Thurlow recreation committee, the other third will help the Rotary Club pay expenses for its successful skatathon.

## Thurlow Sports Committee Busy

Interest in the Thurlow Township minor sports program appears to be at a high level, judging from attendance at the general meeting held Monday night.

The meeting attracted 30 sports enthusiasts and according to a spokesman for the group, that figure is just about double the attendance for previous planning sessions.

Jerry Mastersen heads up the recently formed sports committee, as president. Serving as vice-president is Tom Welsh while secretary is Linda Vader and registrar, Leo Kemp.

Thurlow teams have come up with excellent records in Eastern Ontario Baseball Association (EOBA) competi-

tion in past years and in 1974, it is planned to add another entry to these ranks.

It is hoped a midget team will join tyke, pee-wee and bantam entries in the EOBA. Nelson Vader is Thurlow's EOBA convener.

Township youngsters will once again be offered soccer and softball programs as well as the baseball league. Registration fee will be \$3 per sport. The family rate is \$7.

One date for registrations has been confirmed. That is March 16. Other dates will be announced in the near future.

Other conveners involved in the sports group are Webb Brown, house league baseball; Dick Edwards, soccer; Dave Pound, girls' softball, and Jim Hurd, boys' softball.
