JULY 10/92 INTEL **Help program** Intelligencer photo by Tom Gavey

The Prince Edward Women's Institute donated a television set and VCR to the Kingston segment of the Ontario Breast Screening Program recently. An advisory group has been formed for Hastings and Prince Edward counties to encourage women over 50 to take advantage of the free program. Pictured are (from left) Mary Lou Norton, chairman of the local committee, Dr. Diane Ross of the Kingston screening centre, Women's Institute president Marlene Corfield and public relations director Thelma Coulter. The group raised the money for the donation through its annual arts and crafts sale.
