GREETINGS FROM WELLINGTON WI

To end the summer we had a wonderful visit to the Deseronto Anglican Church, where we were invited to look at its history.

In October we had Gary McNamee share his knowledge on organ donation; he answered all of our questions.

Then our year closed with a great potluck at the library. Our secretary read the delightful thank you notes from all the organizations and persons that benefited from our annual donations.

We hope you all have A Very Happy, Healthy, Prosperous New Year.

PAULINE WINKLE, Wellington
