Adjoint parlementaire du premier ministre

.BICENTENNIAL YEAR...1984

For this celebration, we displayed our Tweedsmuir Book at Bloomfield tea, July 7, 1984.

At the first Arts and Crafts Fair, held in Wellington, on the last Thursday in July, -  
Gilbert's Mills W.I. sold homemade pies and icecream, from their booth.

At Sophiasburgh Fair, held on the last weekend in August, we presented a display  
which included our Tweedsmuir Book. From our stand at this fair, we sold hot dogs  
and cold drinks.
