

Our Mennonite guide boarded the bus with us and took us on a tour around the farming area. Here we saw a different way of life than our own. At some farms no hydro was used and horses their source of power. The homes were neat and tidy of simple structure with beautiful gardens.

We visited the market at Elmira where the people sold their produce. One could buy baking, crafts, fruit, vegetables and numerous other articles.

We left around 5:30 p.m. and started our long journey home. Supper was eaten at the Oshawa Shopping Mall. We arrived home around 11:00 p.m. ending an exciting day.

Our tour continued on where we saw the only covered bridge in Ontario at West Montrose called the "Kissing Bridge" built in 1881.

Leaving there we went on to the Brox's Olde Town Village for an hour of shopping.

The parking area was made so as to tie up the horse and buggy or park a vehicle.
