

The "old" present Prince Edward County Hospital in Picton, opened in 1919, which will be abandoned shortly after new Memorial Hospital is opened Oct. 14th, 1959. Future use of the building has not been decided

Prince Edward County Memorial Hospital 1959. Official opening and dedication, October 14, 1959.

A joyous moment came Wednesday morning for officials of Prince Edward County Hospital Board when members of County Council turned the sod for the new \$600,000 memorial hospital. It is expected construction on the new modern building will be started this fall. County Councillors shown in the above Hodgson
