

A BLOW FOR SNOW This eight foot model front mounted snow blower is unique to Prince Edward County. Owner Harold Bartman of RR 2, Milford, says it cost him \$4,500 and was supplied by Eastern Farm Machinery. The blower is powered by a 85 hp White tractor. Mr. Bartman's son David Grimmon operates the equipment and is kept busy clearing driveways and parking lots of snow.

Fresh snow during the weekend was a boon to skiers. A new convert to the sport of cross-country skiing takes her first few faltering steps. With instruction available and area clubs to join, skiing is rapidly gaining popularity in Prince Edward County.
