

Why other good farmers already subscribe to

CountryGuide Ontario

(And how you can, too...)

More and more, managing your farm is about managing "information".

Problem is, with so much changing in farming these days, it's getting harder to sort out the truly *useful* information from the merely "interesting".

That's why so many other good farmers already subscribe to COUNTRY GUIDE ONTARIO. When you subscribe, too, you'll discover what they already know; we do the "sorting" for you.

COUNTRY GUIDE ONTARIO reveals:
Ways to boost your profitability — thanks to the new crop and equipment advances we unveil.

How to harness the high-tech profit potential of computerization, GPS and biotechnology.

Secrets of getting better deals from bankers, machinery dealers and real estate agents — COUNTRY GUIDE ONTARIO brings you the background information that gives you an edge when it comes time to negotiate.

Reduce risk and improve margins at the same time with marketing tools like put options, futures contracts, and others (COUNTRY GUIDE ONTARIO shows you how to build a marketing strategy that makes sense for your operation).

Start a lucrative new business (or not, if it doesn't make sense for your operation). COUNTRY GUIDE ONTARIO helps you decide which moves to make.

Slash your taxes with tips from some of the best farm accountants in the business.

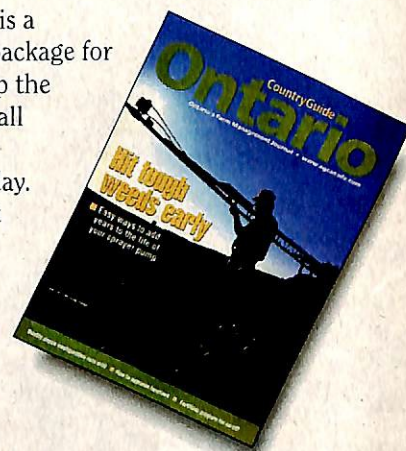

You also get...

Tax savings

If you farm, you can claim the cost of your subscription to COUNTRY GUIDE ONTARIO as a tax-deductible business expense — it's just one more benefit you'll enjoy when you subscribe.
