**Hillier W.I.**

The Hillier Women's Institute met in Hillier hall on January 15<sup>th</sup> for the first meeting of the year 2004. The fact that it was a very sunny but bitter cold day didn't lower the attendance for 22 members and 2 guests showed up. The meeting was led by Pamela Littlefair who presented several of our members with their well deserved W.I. pins for many years of service. Jean Alexander and Loren Best for 50, Maxell Wight for 44 and Phyllis With for 40 years, congratulations to all! The roll call today was "decorating tips" with some do's and don'ts that came up, the main one being "don't ever attempt to wallpaper a small bathroom together with your husband." Take notice! Hillier Women's Institute passed motions to donate

to the local fuel fund and to alternatives for women. The Christmas cookie plates were well received by our shut-in neighbours. A donation was given as well as several thank you notes, which were read by Ruth Crawford. The Federated Women's Institute Provincial Conference is taking place on June 11-12-13 at Durham College at the Oshawa campus. Any members interested in going can get their application forms from our secretary. Tea and dessert were served by the appointed committee after our brown bag lunch, thank you ladies. Following lunch the topic was arts & crafts with hostess Brenda Dunlay showing us how to make table center decorations. Judy Thorp was on hand to give hints and tips on making wreaths, while

Louise Humphrey gave help where needed. A special thanks to our hostess and everyone who participated and donated materials for this event. It turned out to be an enjoyable afternoon, as everyone had a great time creating their crafts! Date to remember: Feb. 15 - Sony Smits 'The 11<sup>th</sup> Hour' on C.T.V. Newcomers to the area interested in joining please phone JoAnne 399-2633 for further information. Our next W.I. meeting is scheduled for Feb. 19<sup>th</sup>, 1:00 p.m. in the Hillier Hall. The topic will be Tweedsmuir History.
