### CELEBRATE WOMEN'S INSTITUTE IN FEBRUARY

In honour of Women's Institute month, Belleville Public Library has invited the Hastings-Prince Edward Districts to participate in their weekly Brown Bag Lunch Series, Feb. 22, 2006 in the Belleville Public Library Art Gallery 12:15 p. m. Members will give a presentation on the Women's Institute organization from early beginnings (1897) to the present and ideas on their future.

Please plan to come. Find out what Women's Institutes branch membership is all about. The Prince Edward district's seven branches will celebrate by quietly and efficiently going about their business seeking out needs in their community and finding ways in which to help. Be a guest this month to see how you can help meet your needs and the community's needs and to have a powerful voice in local, national, and international issues. Share fun and friendship at regular meetings.

A visit with a local branch will prove to be a most rewarding experience, looking to the future, focusing on high-quality education, support programs and services to:

- assist and encourage women to become more knowledgeable and active citizens
- promote and develop integral family life skills
- discover, stimulate and develop leadership
- identify and resolve diverse needs in communities
- have fun and friendship

Your local branch representative is only a telephone call away. Cherry Valley 476-7217, Consecon 392-0652, Demorestville 476-9180 Hillier 399-2474, Mountain View 968-3320, Rednersville 968-9402, Wellington 399-3749.

Women's Institute membership in Prince Edward County is on the rise and we feel there is a need for a Picton branch. Watch for an informational meeting in the spring or contact Evelyn Peck 968-9402, Margaret Squibb at 476-7217, or Joyce Brown, PRO, Prince Edward District, Women's Institute at 392-9899.  
 JOYCE BROWN, Consecon
