## Centennial Celebration

Wednesday, February 19, 1997

ATTENTION: Branch Secretary

On February 19, 1997, it will be exactly 100 years ago that the first Women's Institute in the world was organized at Stoney Creek, Ontario.

All Women's Institute members in Ontario are asked to join together in unity, and spirit, on February 19, 1997 to honour this very special day.

A BRANCH PROGRAM for Wednesday, February 19, 1997, has been designed by Eastern Area for the use of all Branches on this date. As Women's Institute members raise their voices in the singing of the new Centennial Women's Institute song, may their melody echo, and meet, across the forests and the lakes! The accompanying information may be used as Resource Material for a Program of your choice, remembering our history and creating enthusiasm for the future.

Please copy the BRANCH PROGRAM agenda for each of your members. You are encouraged to invite local dignitaries, family, friends, and media, to this Centennial Branch meeting.

Together in spirit.

FOR HOME AND COUNTRY,  
Yours sincerely,

*Peggy McLeod*
