Hillier WI gears up for Amazing Adventure and monthly meeting

By Rebecca Mackellar

Our next get together is one of our main fundraisers, which is The Amazing Loyalist Adventure.

This is a call to all Hillier WI members to come along on Sept. 16 at 9 a.m. to help prepare the apple dumplings. This is a fun time with lots of laughter and even more talking.

We look forward to seeing you there.

Members, who have signed up to participate at the ALA are asked to arrive on time (with a smile) and, if serving food, to dress in as close as you can to Victorian apparel.

Anyone living in the County or visiting here please accept this invitation to come and enjoy our wonderful home made chili and fantastic apple dumplings.

The Hillier WI are serving this gourmet repast on Saturday between 10 a.m. and 4 p.m. and then again on Sunday between 11 a.m. and 4 p.m. Sept. 17-18 at the Hillier hall, which is on the right hand side of the main road coming from Picton/Bloomfield areas.

Our next monthly meeting takes place in Hillier Hall at 1 p.m. on Sept. 22 with the roll call "If you could invent something, what would it be?"

I have that already - "A surface which does not attract dust seconds after I have just finished polishing the thing;" or maybe invent a little voice telling my husband where to find things like, "First take your hands out of your pockets Allan! Move something I am hiding behind the milk jug or below the book you have just laid down."

I can only dream.

I am sorry I did not manage to make it to the July or August meetings, both of which took place in Hillier Park.

Members who did attend the July meeting said they had a lot of fun playing games, followed by a picnic.

The August meeting was hosted by Joanne, where she demonstrated the art of decorating shopping bags.

I hear several of the bags were very skillfully done while others not quite so artful.

I would have been in with this bunch. *09-16-2005*
