HILLIER WOMEN'S INSTITUTE NEWS

Happy New Year

The next meeting for the Hillier W.I. will be held on Thursday, Jan. 19th, 2006 at 1 p.m. in the Hillier Hall.

Roll call for this meeting is "What Keeps You Young At Heart?" Tea will be served at 2 p.m. followed with a craft session when we will be attempting to make an angel. Our hostess for the afternoon is Brenda Dunlay.

Our December meeting which was held in Wellington on the Lake, was well attended. This meeting was where we brought homemade cookies to be gifted to many shut-ins. Members were asked to bring an item for the alternatives for Women's gift basket. The fun of the afternoon is each member's idea for the Roll Call; sing, say or pay. It has become the custom for some members to bring along a singing toy, therefore saving their voices and our ears. Only a few paid, so almost everyone participated in the entertainment. A scrumptious lunch was provided by the hostesses of the day.

Our deepest condolences are extended to Judy Thorpe at the passing of her husband.

CHEERS! to the members of the Hillier Women's Institute, who, at their December meeting, brought homemade cookies to be gifted for many of the area's shut-ins. They also each brought an item to be donated to a gift basket for Alternatives for Women.

Members will meet Thursday, Jan. 19 at 1 p.m. in the Hillier Hall. Rollcall for this meeting will be: "What keeps you young at heart?"

New members and guests are welcome.
