HILLIER WOMEN'S INSTITUTE UPDATE

Feb. 16 is the date of the next Hillier WI meeting, at the usual time of 1 p.m. It promises to be very interesting as our roll call is "Tell us a fact that you know about W.I."

Please attend and maybe you will learn something you do not already know about this conscientious and hard-working organization.

Our January meeting, which took place in the Hillier Hall, Jan.19 was well attended.

Information was given on the renovation of Hillier Hall, which is having a wheelchair access washroom installed, but this must wait until the better weather arrives.

Lee Ann read from several "Thank You" letters which were in response to the cookie plates that were made up and given out before Christmas.

FWYO are holding a two-day conference in London, Ont., taking place during the month of August, 2006, with registration before June 1 at a cost of \$245, meals included. Several workshops are included in the weekend.

Our roll call on the 19th was "What Keeps You Young At Heart?" This proved to be not only interesting but funny at the same time. There were many different methods and ideas recommended for remaining young at heart.

The afternoon was hosted by Brenda Dunley when she attempted to instruct us in making angels. This was hilarious, ending with some odd-looking angels decorated in strange colours. Many looked more like fallen angels than tree angels!

Of course there were several which were works of art and well worth the effort. Sincere thanks to Brenda for her patience and sense of fun.

Belleville Public Library holds weekly Brown Bag lunch programs starting at 12 noon. On Feb. 22, 2006, the WI are involved in a program with information on the Past and the Future of the WI. Please come and support the meeting (remember your brown bag lunch).

 ACTIVITY: "Women's Institute Programme"
 with Marilyn Rennie hosting.

The Hillier W.I. met in the Wellington library for their February meeting as the new washroom, front stairs and new roof were being installed in the usual meeting place, the Hillier Hall.

After a delightful lunch, entertainment by four members followed as make shift kitchen band. The instruments consisted of a washboard, bell, pot lids and some other kitchen implements. The rest sang along to well remembered tunes, which was just as well as the words were not known to many of us.

Some fun word games helped members learn more about the beginnings of the W.I. The records and Tweedsmuir books have been placed on CDs and are being housed in the Archives. They can be used with permission for special occasions.

Members held a Spring Supper and Fun Auction at the Hillier Hall last night, hosted by Lee Ann Scammell. New members and guests are invited to the Thursday, March 23 meeting at 1 p.m. at the Hillier Hall. Roll call will be: Name a book or recent article you have found interesting.
