

## SUMMER DAZE - HILLIER WI UPDATE

The next meeting for Hillier WI is set for July 19 and will take place in Jack Taylor Park at noon, with pot luck and our annual games day. This is such a fun day we hope most of our members can manage to attend. If it happens to rain on that day, the meeting and games will take place in the Hillier Hall.

Our deepest sympathy goes to Tony Darling at the loss of his wife Marjorie, who was so aptly named. Marjorie was such a lady and a true darling. We will miss her very much.

The Milford supper takes place on Tuesday, Aug. 21 at a cost of \$15 per person. Vendors will be set up with their wares for sale.

We had a show and tell of yesteryear family heirlooms, which was very interesting. Items ranged from photographs from the 1800s. Most items had been passed down from grandmothers and great-grandmothers such as aprons, jewelry, plates, knitted items, drawn thread-work and special local newsworthy items about the County. A delightful lunch with strawberries (local, of course) and cake was graciously provided by Jean, Brenda and Bernice.
