HILLIER WI UPDATE

The next Hillier WI meeting will be held in the Hillier Hall on Nov. 10 at 10 a.m.

We will be tying a quilt which is to be given to a less fortunate family in the area. Please bring something non-perishable for the Storehouse – Wellington & District Food Bank.

The annual potluck and games evening will take place Nov. 30 at 6 p.m. at Hillier Hall.

.Doris Wright will be celebrating her 90th birthday in Wellington United Church on Saturday Nov. 3 from 11:30 to 3:30. Best wishes only!

There were 17 in attendance at the Wellington library meeting on Oct.18. The question was “what can we do to promote PEC Trash Bash?” Many suggestions were put forward ranging larger garbage bins to better advertising and promotion. There was also a suggestion that more Trash Bays days occur during the year--perhaps a day each season. The most popular idea was a deposit-return for fast food cups—this, it was felt would definitely keep the trash down.

As usual the apple dumplings were a great success; remember, for next year come early and buy before you go past the table as there will be none left by the time you come back.
